Since 2018 I have worked in the TV & Film Industry in the Grips department. After spending over 3 years in training I have now been gripping for over 4 years working on everything from TV Dramas and comedies, to high end TV and Film as well as commercials etc. My love for the job has created a strong and tireless work ethic which means that I strive for the best I can do and can be in any and all ventures when it comes to gripping be it; crane grip, dolly grip, A camera grip, B camera grip, rigging grip, splinter grip etc.
